OUR PRODUCTS

Bar Screen

Clarifier

Oil Skimmer

Surface Aerator

Floating Aerator

**Diffused Aeration
System**

**Slow Speed Floating
Aerator**

Clarisettler

OUR PRODUCTS

- ✓ Flash Mixer
- ✓ Clarifier
- ✓ Clarisettler
- ✓ Clariflocculator
- ✓ Sludge Thickener
- ✓ Pressure Sand Filter with Media

OUR PRODUCTS

- Activated Carbon Filter with media and carbon
- Water Softener with resin
- Ultra filtration for Effluent Treatment Plant and STP

SHREE WATER
ELEMENTS

OUR TECHNOLOGY FOR YOUR WAY

- ✓ Ultra filtration for Water Treatment Plant
- ✓ Reverse Osmosis plant Effluent Treatment Plant
- ✓ Reverse Osmosis plant for drinking water
- ✓ Nano Filtration system

We are also supplying filter Media like pebbles, silex and coal based Activated carbon.

Every single system comes with the best technology and manufacturing quality. Shree Water Elements has an excellent infrastructure to undertake manufacturing systems in this field. Shree Water Elements maintain an intensive quality assurance program through all phases of manufacturing of the equipment's.
